Join the South Pass Outpost #1867 of Al Packer #100 of the Ancient & Honorable Order of E Clampus Vitus® for a Candle Light doin's at #1867's watering hole #2:

The Historic Union Bar in Hudson, Wyoming March 27th 2021

We will be placing a plaque in the Union Bar explaining the history of the Hudson Coal Camps and the relation to the Union Bar. The dedication will take place at 2pm and be able to patron the watering hole for a desired amount of time.

For PBC's and other events of the order will be held in Lander, WY at 735 Lincoln St. which is a short walk away from the Maverick Hotel and Lounge. PBC's will need to be at 735 Lincoln at 10:30am in good condition to be turned over to the hangman so he can guide them through the proceedings of the order. Remember this is a candle light so "Red Tagged" PBC's and those who age does not allow a normal initiation is what is expected.

Gub will be slaughtered and prepped by Jayson "Rambone" Mitchell. Meals will include lunch at noon and dinner after activities around 5pm. Dinner will be the famous Wyoming Man Meat and Fixin's.

Rub includes 2 meals and a pin of the day.

Redskirts - \$30 PBC - \$50

PBC's will receive a skin and shirt if they are deemed worthy.

The usual Do's and Don'ts apply to this event. Anyone in violation of Grand Council rules will be asked to leave. This is a public dedication of which we are being allowed to do, so seemly decorum is to be maintained at all times. Keep your language to G-Rated in public.
