

THE HEWGAG BRAYS!!!

WHEREAS IN 1905 CAÑON CITY ENACTED AN ORDINANCE TO PROHIBIT THE SALE OF ALCOHOL LEAVING LOCAL COALMINERS AND MILLWORKERS NO PLACE TO DRINK AFTER A HARD DAY'S WORK, AND WHEREAS BROTHERS ANTON AND FLORIJAN ADAMIC ALONG WITH THEIR FRIEND JOHN MUSICK INCORPORATED THE TOWN OF PROSPECT HEIGHTS FOR THE SOLE PURPOSE OF CREATING A TOWN WHERE ESTABLISHMENTS COULD SELL ALCOHOL THUS SEEING TO THE NEEDS OF THE LOCAL COALMINERS AND MILLWORKERS, AND WHEREAS THE JAIL WAS THE ONLY GOVERNMENTAL BUILDING BUILT WITHIN THE CITY OF PROSPECT, IT IS THE DUTY AND HONOR OF OUR ANCIENT AND HONORABLE ORDER TO MEMORIALIZE SAID JAIL.

IT IS THEREFORE THE MISSION OF AL PACKER 100 IN COOPERATION WITH THE FREMONT COUNTY HISTORICAL SOCIETY TO ELEVATE AND HIGHLIGHT THE HISTORICAL SIGNIFICANCE OF THE PROSPECT HEIGHTS JAIL BUILDING. BE IT THEREBY KNOWN THAT THE NGH OF AL PACKER 100, DAN "PROFESSIONAL" OSBORN INVITE ALL MEMBERS IN GOOD STANDING TO JOIN US IN HISTORIC CAÑON CITY FOR THE PLAQUING AND THE COINCIDING AL PACKER DOIN'S.

Brothers, we have secured a triple D-deluxe clampsite for our doin's. It is at the old Buckskin Joe Frontier Town located near the Royal Gorge Bridge. It is closed now, so we'll have the whole dang place to ourselves. It has nice gravel roads and sites for RV parking as well as plenty of grassy areas for camping. In addition, we'll have full access to the ranch, which includes a boardwalk trail to an incredible view of the Royal Gorge and Bridge.

If you're going to the "Reach around the Rockies" doins in Cody Wyoming, we're next door the following weekend with plenty of good scenery in-between.

Legal stuff: All the typical do's & don'ts apply. Grand Council rules will be strictly enforced!
